

**“From Fear to Faith”
Habakkuk 3:1-15**

It is a fact that godly people do experience fears and anxieties, but it is God who provides us with resources to help us deal with such fears and anxieties. Our text for today reveals three steps that will help us move from fear to faith.

I. Develop a reverential fear of God (v. 2).

II. Have the proper focus in prayer (v. 2).

III. Remember God’s past faithfulness (v. 3-15).
